WILLIAM JESSUP UNIVERSITY

In partnership with the church, the purpose of William Jessup University is to prepare Christians for leadership and service in church and society, through Christian higher education, spiritual formation, and directed experiences.

The William Jessup University vision is that our graduates will be transformed and will help redeem world culture by providing notable servant leadership; by enriching family, church, and community life; and by serving with distinction in their chosen career.

PUBLIC POLICY DEGREE PROGRAM

William Jessup University's Public Policy Degree Program is dedicated to preparing students for future leadership and service in the public sector. Through Christian higher education and policy training, the program offers a combination of theoretical principles and practical skills through courses, seminars, and internships. Students will learn to evaluate critical issues and to initiate and implement sound public policy.

PUBLIC POLICY INTERNSHIP PROGRAM

The Public Policy Internship Program provides meaningful opportunities for students to gain practical experience on policy issues. Students will learn first hand about the policymaking process by working directly with legislators, lobbyists, legal professionals, governmental and nongovernmental organizations, and media/public relations groups.
