Online Resources

Username & Password: Your username & password is the same for all logins to WJU resources. It will follow this pattern:

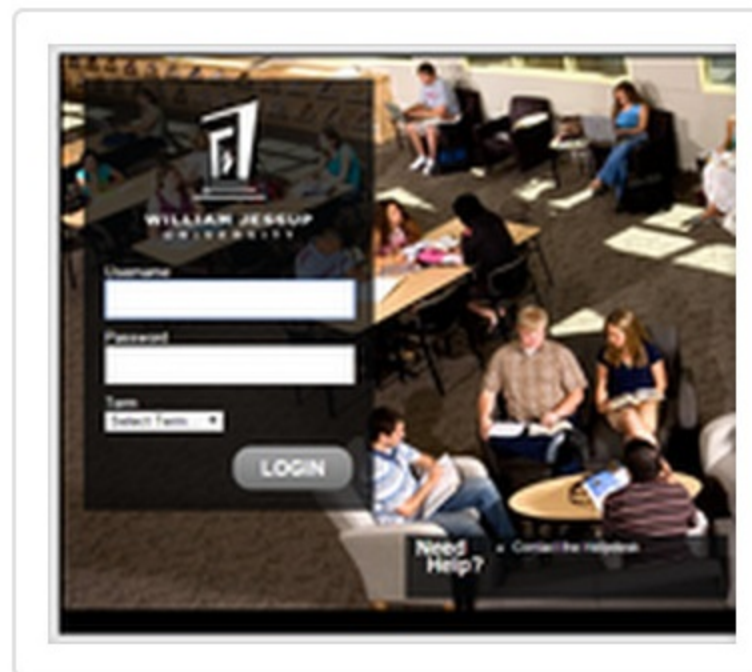

- **Username:** firstname.lastname (Example: Jane Johnson = jane.johnson)
- **Password:** firstname.lastname + last four of your Student ID (Example: jane.johnson0123)

Once logged in for the first time, we recommend that you personalize your password.

- **MyJessup:** WJU's intranet, and your gateway to your **Jessup email, Moodle, Student Portal**, and other important WJU news.
- **Jessup Email:** *Check your email daily!* This is the only email we will use to relay important WJU communications. You can watch the tutorial to **forward your emails to a personal account [here](#)**.
- **Student Portal:** View your course **grades, unofficial transcripts, billing statement, financial aid**, outstanding paperwork needed, and more. The link to the Student Portal is found on the top menu in [MyJessup](#).
- **Moodle:** A virtual classroom we use for every course. **We recommend that you go through a tutorial or two!** The link to Moodle is found on the top menu in [MyJessup](#).
